Emergency contact: +44 (0) 1707 358688
Fax contact: +44 (0) 1707 358687

For research use only. Not intended for human or animal diagnostic or therapeutic uses.

2 HAZARD(S) IDENTIFICATION

In accordance with local and national regulations, the product is classified and labelled in accordance with Directive 1999/45/EC. REGULATION (EC) No 1272/2008 Classification according to EU Directives 67/548/EEC or 1999/45/EC.

GHS - Classification
- Signal word: Not hazardous.
- Health hazard: Not hazardous.
- Physical hazards: Not hazardous.

European Union (EU) Specific Hazard Statements
- R-phrase(s): None
- S-phrase(s): S22 - Do not breathe dust.

Potential Health Effects
- Eyes: May cause eye irritation with susceptible persons.
- Skin: May cause skin irritation in susceptible persons.
- Inhalation: May be harmful by inhalation.
- Ingestion: May be harmful if swallowed.

Specific effects
- Carcinogenic effects: None
- Mutagenic effects: Substances which cause concern for man owing to possible mutagenic effects but for which the available information is not adequate for making a satisfactory assessment.
- Reproductive toxicity: None
- Sensitisation: None
- Target organ effects: No known effects under normal use conditions.

3 COMPOSITION/INFORMATION ON INGREDIENTS

The product contains no substance which at their given concentration, are considered to be hazardous to health. We recommend handling all chemicals with caution.
4 FIRST-AID MEASURES

Includes important symptoms/effects, acute, delayed; required treatment.

Skin contact: Rinse with plenty of water. If symptoms arise, call a physician.
Eye contact: Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. If symptoms persist, call a physician.
Ingestion: Never give anything by mouth to an unconscious person. If symptoms persist, call a physician. Do not induce vomiting without medical advice.
Inhalation: Move to fresh air. If symptoms persist, call a physician. If not breathing, give artificial respiration.
Notes to physician: Treat symptomatically.

5 FIRE-FIGHTING MEASURES

Lists suitable extinguishing techniques, equipment; chemical hazards from fire.

Special protective equipment for firefighters: Wear self-contained breathing apparatus and protective suit.

6 ACCIDENTAL RELEASE MEASURES

Lists emergency procedures; protective equipment; proper methods of containment and cleanup.

Personal precautions: Use personal protective equipment.
Methods for cleaning up: Take up mechanically and collect in suitable container for disposal.
Environmental precautions: Prevent further leakage or spillage if safe to do so. See section 12 for additional information.

7 HANDLING AND STORAGE

Lists precautions for safe handling and storage, including incompatibilities.

Handling: Avoid contact with skin, eyes and clothing. Always wear recommended personal protective equipment.
Storage: Keep in a dry, cool and well-ventilated place.

8 EXPOSURE CONTROLS/PERSONAL PROTECTION

We are not aware of any national exposure limit.

Engineering measures: Ensure adequate ventilation, especially in confined areas.
Personal protective equipment: Personal Protective Equipment requirements are dependent on the user institution’s risk assessment and are specific to the risk assessment for each laboratory where this material may be used.
PHYSICAL AND CHEMICAL PROPERTIES

Lists the chemical’s characteristics.

General information

- **Form:** Solid.
- **Appearance:** No information available.
- **Odour:** No information available.
- **Boiling point/range:** °C No data available. °F No data available
- **Melting point/range:** °C No data available. °F No data available
- **Flash point:** °C No data available. °F No data available
- **Autoignition temperature:** °C No data available. °F No data available
- **Oxidising properties:** No information available.
- **Water solubility:** No data available.

STABILITY AND REACTIVITY

Lists chemical stability and possibility of hazardous reactions.

- **Stability:** Stable under normal conditions.
- **Materials to avoid:** No dangerous reaction known under conditions of normal use.
- **Hazardous decomposition products:** None under normal use.
- **Polymerisation:** Hazardous polymerisation does not occur.

TOXICOLOGICAL INFORMATION

Includes routes of exposure; related symptoms, acute and chronic effects; numerical measures of toxicity

**Acute toxicity:** Not hazardous.

**Principle routes of exposure/potential health effects**

- **Eyes:** May cause eye irritation with susceptible persons.
- **Skin:** May cause eye irritation with susceptible persons.
- **Inhalation:** May be harmful by inhalation.
- **Ingestion:** May be harmful by ingestion.
- **Carcinogenic effects:** None.
- **Mutagenic effects:** Substances which cause concern for man owing to possible mutagenic effects but for which the available information is not adequate for making a satisfactory assessment.
- **Reproductive toxicity:** None.
- **Sensitisation:** None.
- **Target organ effects:** No known effects under normal use conditions.
12 ECOLOGICAL INFORMATION

Ecotoxicity effects: No information available.
Mobility: No information available.
Biodegradation: Inherently biodegradable.
Bioaccumulation: Does not bioaccumulate.

13 DISPOSAL CONSIDERATIONS
Dispose of in accordance with local regulations.

14 TRANSPORT INFORMATION

IATA
Proper shipping name: Not classified as dangerous in the meaning of transport regulations.
Hazard class: None.
Subsidiary class: None.
Packing group: None.
UN-No: None.

16 OTHER INFORMATION
Includes the date of preparation or last revision.

Date of preparation: October 23, 2015
Revision date: 
Reason for revision: 

For research use only. Not intended for human or animal diagnostic or therapeutic uses.

The information contained in this document was acquired by diligent search and/or investigation and the recommendations are based on prudent application of professional judgment. The information shall not be taken as being all inclusive and is to be used only as a guide. All materials and mixtures may present unknown hazards and should be used with caution. Since the Company cannot control the actual methods, volumes, or conditions of use, the Company shall not be held liable for any damages or losses resulting from the handling or from contact with the product as described herein.

THE INFORMATION IN THIS MSDS DOES NOT CONSTITUTE A WARRENTY, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE.
